Director Desk

Dear Visitors/Learners,

I am very glad to invite you to our family of DCTP-BESPL. Education is more than a foundation for learning. Rather, we believe than expanding one's goals and exceeding one's potential are at the core of personal growth. As we know, these days "unemployment" in our country is one of the biggest issues. Even after Engineering course, one need to get certification to have competitive advantage over his/her peers in getting job in good conveys.

We aim to provide candidate IT program and certification which are highly in demand and job oriented courses at affordable cost with qualified Teachers. We not only focus on the vital Technical knowledge but also on the overall personality development of candidates by providing them professional training of communication skill, organizational stress management, behavior to tackle problem in outside corporate world, so that they could survive in harsh corporate environment and maintain their work-life balance.

I do hope you will join with us and you must be a part of global IT movement and ensure about your success.

Yours

Aman Kumar

About DCTP

Digital Computer Training Program is a program for global computer education. This program is initiated by "Bhardwaj Educational Services Private Limited" Registered & corporate office of the company is in Patna. This mission has above 100+ associated learning centers country wide and this number is increasing every day. The main objective of the mission is to promote the concept of computer learning at door step with a world class quality learning environment. Many renowned IT Professionals are associated with this mission as consultant, technical writers and many employers and recruiters trust on DCTP.

About Company

BESPL is a Private Limited Company established in Sept, 2013 which is Registered **Under The Companies Act, 1956,** vide CIN No. U80904BR2013PTC021135 from **Ministry of Corporate Affairs**, **Govt. of India**. BESPL is an ISO 9001:2015 Certified Company to promote IT awareness and to provide IT education through franchisees centers.

We have also taken the Franchisee Approval from Govt. of India to provide the Franchisee Center in all over India. We are working for spreading computer literacy and I.T. Training since 2013, and its services to the society.

OUR OBJECTIVE

- The main objective behind the creation of this Company is to spread the computer literacy in all over India.

- To provide strong theoretical foundation complemented with extensive practical training.

- To inculcate value-based, socially committed professionalism to the cause of overall development of students and society.

OUR MISSION

- To promote Computer Literacy among all Citizens of this country, by providing **AFFORDABLE, REASONABLE AND CUTTING-EDGE Quality Computer Education**.

- At present, the certificate/ diploma programs are provided by many institutions with higher charges, due to which, the lower and middle class families of our society cannot afford these programs. Our aim is to provide low cost computer education for every section of society in affordable charges all over India and to provide skilled manpower. To educate and train our citizens effective and competent contributors for the society.

OUR VISION

- To become the most trusted IT Education provider institution providing quality education and training and also value for money for the student & society.
